The City of San José would like to invite you to attend either of two community meetings on the proposed annexation of unincorporated County areas (shaded on the attached maps). This will involve changing jurisdiction from the County of Santa Clara to the City of San José and establishing City zoning districts for these areas.

The meetings will consist of a short presentation on the County Island Annexation Program and an overview of the changes you can anticipate upon annexation of these areas.

City staff will be available to answer questions you might have regarding the annexation and zoning process, explain the potential changes in services and regulations, and receive any feedback you have on the proposed actions.

If you have tenants or renters on your property, please notify them of these meetings.

To request an accommodation or alternative format for these meetings and/or printed materials, please call Lori Moniz at 408-535-7841 or 408-294-9337 (TTY) as soon as possible, but at least three business days before the meeting(s) you plan to attend.
